"Can honestly say, after having waxing treatments for over 30 years, this has to be one of the best (if not the best) waxing I've ever had. From the first welcome I felt comfortable and relaxed. Tilly used an amazing wax which really suited my skin. She was friendly, efficient and professional in every way. Would definitely recommend. Thank you so much. "

"Birthday treat; pedicure, manicure, facial and deep conditioning hair treatment. Matilda is lovely, welcoming and friendly, and makes you feel at ease and relaxed. Very professional and knows her stuff. Explaining all procedures and what the treatment does. The facial was amazing and you feel so rejuvenated and fresh after. I would fully recommend a booking to make you feel relaxed and

pampered. Izzy did my deep hair treatment which felt wonderful, and felt like new hair, a perfect finish to a perfect day. I had a beautiful sweet chilli chicken wrap from Karma Cafe, it was delicious and fully loaded with ingredients. I love the friendliness and feel of this salon, and the decor is earthy and warm and inviting. "
