"Hey Issy, I just wanted to say a big thank you!  
I really loved the whole vibe and environment , it felt super welcoming and relaxed. You were incredibly friendly and kind, and I really appreciated how you gave me choices and involved me in the process. My hair means a lot to me since I've been growing it for years, so it was such a relief to feel understood and in good hands. And honestly, I love the new haircut and I can't stop touching it and checking it out in the mirror! You did an amazing job.
